WARNING-California Proposition 65- The burning of gas cooking or heating fuels (and certain components contained in this product) generates some by products which are on a list of substances known by the state of California to cause cancer or reproductive harm. California law requires businesses to warn customers of potential exposure to such substances. To minimize exposure to such substances always operate this appliance in accordance with our Use & Care Guide (Owner's Manual) ensuring you provide good ventilation when cooking with gas. For detailed information please see official California Proposition 65 website www.P65WARNINGS.CA.GOV
